

Team Agile

At a glance view of
employee responses to
our Pulse Survey
2021/2022

“ SLT do a great job of being transparent about the strategic direction we're going in. ”

Being part of Team Agile.

We work hard to create a positive environment and experience for every employee. Here's what you told us about how it feels to be part of Team Agile:

say that our Senior Leadership Team have communicated a vision and company values that motivate you to achieve.

are clear about what is expected of you to contribute to Agile Solution's success.

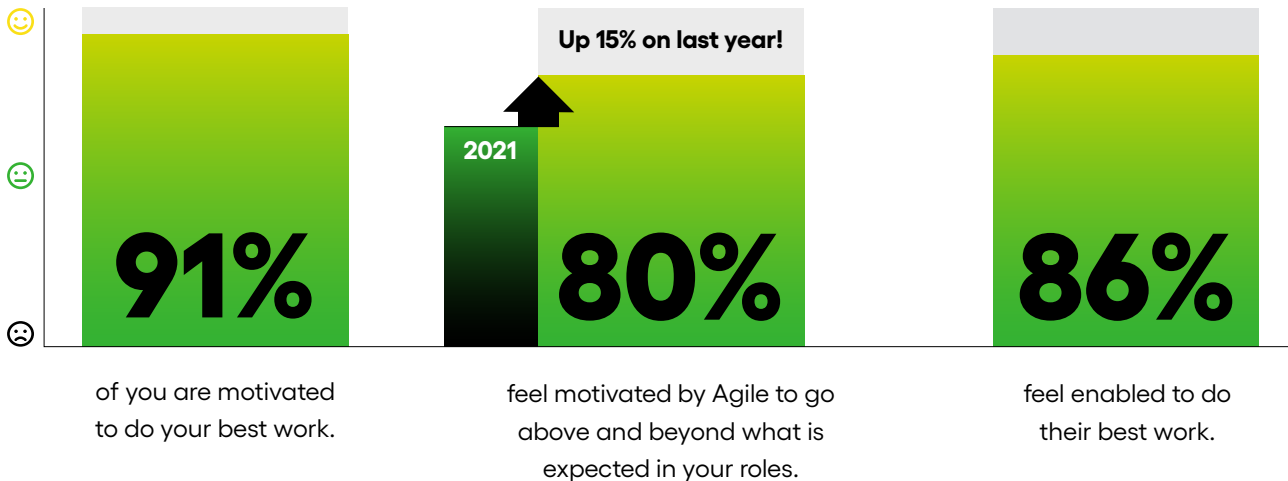

are proud to work for Agile Solutions.

*** These are all amazingly high scores!**

“ The revised bonus scheme, including ‘find and mind’ seems well considered compared to the more typical bonuses based purely on utilization. ”

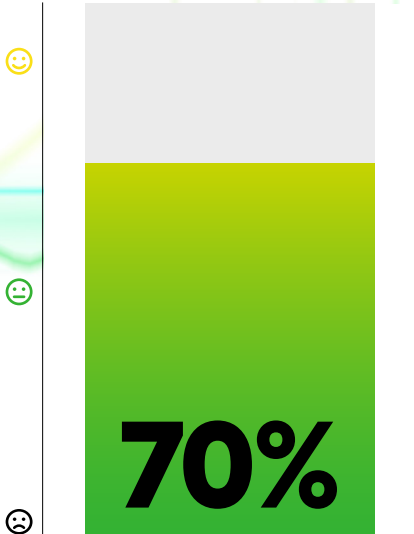

Strive: Motivation & Engagement.

Does Agile Solutions encourage and enable you to strive to do your best at work? This is what you had to say about your motivation and engagement:

The improvement here from last year really shows us you have a high level of engagement.

Strive: Motivation & engagement.

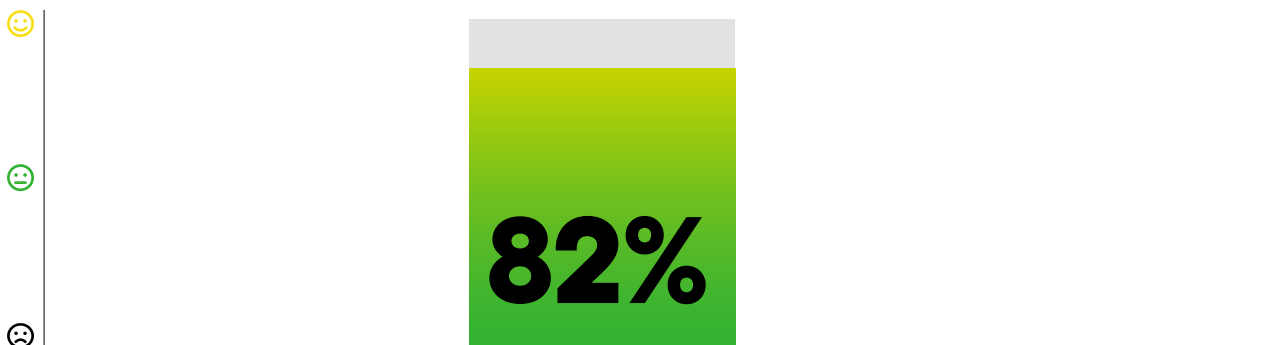

of you feel your contribution
to company success is
recognized on a regular basis.

“ Agile has one of the best career paths I’ve seen in any Consultancy. ”

Stay: Looking to your future.

What does the future hold for your career at Agile? Here’s what you had to tell us about your plans for the future:

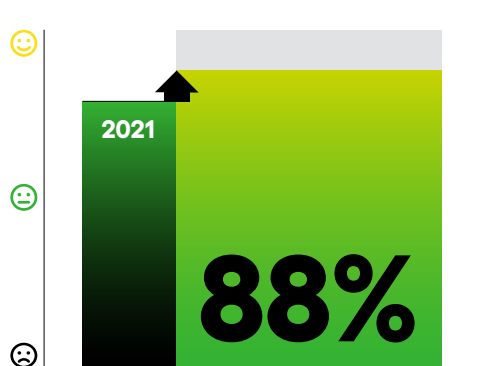

believe Agile provides equal opportunities for career progression, development and promotion.

“ Managers have created the right balance between giving me autonomy and letting me know I have support if I need it. ”

Say: What you're telling others.

It's important to us that you feel supported and satisfied enough in your own role that you would recommend others to join Team Agile – and we were happy to see that an even greater number of you feel that is the case this year.

of you would recommend Agile Solutions as a great place to work to friends and family.

That's almost **10% higher** than the previous survey, and excellent to hear.
